

PUCKER POWDER

Candy Art!

PINNACLE AMUSEMENTS

Pucker Powder is a custom manufactured sour-powder candy. It's the hottest interactive candy product known to mankind! Choose from any of our exclusively unique flavors. Similar to Sand-Art, except your customers create a tube of fun-filled candy ready to eat. Pucker Powder will bring your customers back for more and more. Sell these at your next event for additional income.

We make it very simple! The candy bottles become the dispenser bottles for this machine. Your customers can choose from a combination of 6", 12", and 18" tubes including tops. Complete packages of tubes and candy available.
